JustHealth- Iteration Number 6

Iteration Start Date:	8.12.14
Iteration Finish Date:	19.12.14

Outline of what we want to achieve:
- To have a fully functioning way for carers to edit and delete medication details for carers
- To have a fully functioning way for carers to edit and delete appointment details for patients and carers

What we Achieved:
- Medication- edit and delete
- Appointment edit and delete
- Planned for Christmas holidays

What we have learnt:
- How to balance other work with CO600
- Improved design on android

What we would do differently:
- Set realistic targets with other work commitments.
